CUSTOM PACKAGES

Don't see a tier that fits?

We build custom packages tailored to your operation — combine modules from any tier, add fleet-wide tools to a single vessel, scale photo or AI-audit limits, or layer on bespoke branding and integrations. Whatever the way you actually work, we can match it.

→ Email us at info@aegirfleet.com

Every plan includes

- ✓ Web + mobile-installable (PWA)
- ✓ Unlimited team members per vessel
- ✓ GDPR-compliant data hosting (UK / EU regions)
- ✓ AI Certificate parsing on all tiers
- ✓ Offline-first — works at sea, syncs when reconnected
- ✓ Secure encrypted document storage with backups
- ✓ 30-day free trial · no credit card required
- ✓ Pay only for the vessels you use — cancel anytime

Fishing-specific features (Landings, Quotas, Freezer logbook) are included on every plan and activate automatically when a vessel is marked as a fishing vessel — no upgrade required.
